## **GUIDELINES FOR SUBMITTED SYMPOSIA AND WORKSHOPS**

Submitted symposia and workshops are sessions of 1,5 hours with 3 or 4 speakers who cover a certain aspect of delirium research or management.

Please submit the proposal in the English language, the language that will be used during all scientific sessions.

The following items should be covered in the proposal:

- a. Names and affiliations of proposed speakers
- b. Titles of presentations
- c. 2-4 learning objectives for each presentation

Format:

- a. Title: maximum 20 words
  - b. Abstract: maximum 200 words excluding title, speakers and affiliations
- Please use generic names only, no commercial names

**Submission deadline is 1 July 2018.** Symposia and workshops, submitted after 1 July 2018, will NOT be accepted.

Early August the corresponding author will receive notification of acceptance. Correspondence on this decision is not possible.
