

EXCELLENCE
IN
SOCIAL & COMMUNITY
INVESTMENT

SEPTEMBER 8, 2016 | THE UNIVERSITY CLUB | NEW YORK CITY
6PM-10PM

Each year, consulting firms invest time, money, effort and sweat equity on engagements that serve a higher cause by partnering with non-profits, government entities, associations and private and public sector companies. To formally recognize these efforts, *Consulting* hosts the Excellence in Social & Community Investment awards. You are invited to join a select group of distinguished consulting firms and show your support for your cause, the community and the profession. It's beneficial to promote your brand both internally and externally, and celebrate the accomplishments of your firm and its people.
