

## Cancellation and refund policy

Due to the nature of the virtual format of the event—and considering the ability of users to access conference sessions on-demand post-conference—refunds are not permitted. **All purchases are final.**

If you cannot attend the virtual conference, you may substitute another person from your company or organization. All requests for substitutions must be made via email to [gf@wfh.org](mailto:gf@wfh.org) by Friday, October 15, 2021.
