

56th ICCA Congress Tech Pavilion

Prague, Czech Republic 12-15 November 2017
#ICCAWorld

A must for industry professionals!

With over 1,200 industry professionals in attendance with an especially strong showing from ICCA's European members, the 56th ICCA Congress is a must-attend event for anyone who's serious about international association meetings. The 56th ICCA Congress offers the opportunity to connect with hosted international association executives, participate in a world-class education programme, and network with fellow delegates.

Join us as we shape the future direction of international association meetings.

What to expect in the Tech Pavilion

Tech Bar

An approachable, interactive area fully staffed by DAHLIA+ Agency tech experts to answer all your questions about technology in the industry. The Tech Bar also serves as a place to discuss, search and evaluate solutions real-time.

Tech Sessions

Bite-size technology-focused sessions on the latest tech and tech trends both in the meetings industry and beyond.

Social Media Profile Reviews

Need to update your LinkedIn profile? Want to know what you can do better on your Facebook page? The DAHLIA+ Agency experts will review social media profiles at the Tech Bar!

Tech Showcase

Interactive showcase of the latest useful tech and essential solutions for meeting professionals.

Headshot Lounge

A picture is worth a thousand words. After you've freshened up your social media profiles, stop by the HeadShot Lounge to get a studio quality headshot.

Tech Showcase Kiosk

High visibility. High value.

Brand new addition to ICCA Congress, and we want you to be a huge part of it! The Tech Pavilion is an exciting opportunity that puts you and your innovative tech solutions right in front of the right audience.

Over 1,200 industry professionals come through the doors and you'll be featured prominently. ICCA Congress is giving event participants a 360° immersion into the evolving tech experience. We are amping it up with interactive displays of the latest gear, gadgets and toys, Tech Bar for tech and digital advice, tech huddles and sessions, headshot station, and more!

Grab your spot now. These LIMITED spots go quickly, so reserve your Tech Kiosk today.

WHY ATTEND?

1. Strong, custom-designed education programme for senior industry practitioners.
2. Business opportunities for all delegates throughout the event programme.
3. Exceptional networking: high level and global in scope.
