

The Performance Network

Overview

Purpose

The Performance Network was formed to help healthcare organizations accelerate their path to achieve results for cost reduction, quality improvement, and margin improvement initiatives. This is an opportunity to learn from thought leaders and innovative health systems, within the Strata network, focused on a common goal: LIFT your organization's performance.

Elements

In-Person & Virtual Events

Share & Learn about Best Practices to Drive Results in your Health System

High Impact Collaboratives

Work with peer organizations on high-impact, focused initiatives to reduce cost & variation

Coaching and Guidance

Learn from peers and experts about tactics to improve results-focused performance within your health system

Product & Services Advisory Forum

Share your ideas with the Strata product and services leadership teams to help us better support your goals

Cross-Department Partnerships

Engage with clinical, financial, and operational leaders within your organization and among peer organizations in facilitated working sessions

Strata Data Sciences

Early access to benchmarking and data sharing initiatives

Steps to Participate

| | | |
|---------------------------|---|--|
| Step 1 Prepare | Tue (8/27) or Wed (9/4) Webinar | Join 1 of 2 introductory webinars to learn more about The Performance Network and the upcoming launch event |
| Step 2 Engage | Mon (10/21) Strata Summit Chicago | Join us in Chicago for The Performance Network launch in advance of the 2019 Strata Summit |
| Step 3 Collaborate | Initial Project Starting Jan 2020 | Participate in the first Performance Network Collaborative. Partner with your peers on a focused initiative to drive results at your organization. |

Introduction Webinar

Strata will be holding 2 webinars to introduce The Performance Network in advance of the in-person kickoff at the Strata Summit this fall. The content is the same so feel free to join the date/time that work best.
