

FOAMS[®] 2017

15th International Conference on Advances in Foam Materials & Technology

CONFERENCE, TUTORIAL & EXHIBITION
OCTOBER 9-12 - BAYREUTH, GERMANY

Papers are invited on the following topics:

- | | |
|------------------------------------------|-----------------------------------------|
| Advances in Foam Materials | Sustainable & Biofoams |
| Advances in Foam Processing | Crosslinked Foams |
| Advances in Foam Applications | Mechanical Properties & Cell Structures |
| Micro/Nanocellular Foams & Future Trends | Observations, Analysis & Modelling |

Please send a title and an abstract of your paper, 100-150 words in length, with full contact information to Prof. Ernesto Di Maio:

abstract.foams2017@uni-bayreuth.de

! Special rates for presenters !

Key Dates:

- May 1 Abstract due.
- May 15 Notification of accepted abstracts to all authors
- July 15 First version of the paper to be sent to Prof. Di Maio
- August 15 Final version of the paper with any revisions due.
