

## Website Privacy and Security Policy

At CSCMP, we respect your privacy. This is why protecting your information is of the utmost importance to us. As a result, we have prepared this privacy and security statement addressing how we collect information and how it is used.

This Privacy Policy applies to both of our websites (cscmp.org and cscmpedge.org), CSCMP EDGE event mobile application, and CSCMP social platforms (LinkedIn, Facebook, Twitter, Instagram).

### Information We Collect:

- CSCMP collects only the data that will help us serve our members, and we store only what you knowingly provide to us.
- We use cookies and other internet technologies to manage the design of our website and email programs, to offer you personalized experiences and to help us meet your needs.
- When you access our website, we will log your IP address in our web server logs. We also collect related information such as browser type, operating system, and web page visits to help manage our website.

### How We Use Personal Information

- We use personal information to assist in the design of our website to help our viewers meet their needs, or to carry out the transactions you have requested.
- We use the information collected to send communications to you, such as CSCMP professional education events, networking events, and new industry research or products.
- We use the information to customize, analyze, and improve our products, services (including our website), technologies, communications and relationship with you.
- CSCMP makes your member profile available to other CSCMP members via our online directory only if you elect to have your information displayed in the preferences section of your online profile.

#### Shopping at the CSCMP Store

- When you purchase products through the CSCMP store using a credit or debit card, we will collect your credit or debit card information and keep a history of your purchases. We use this information to process your orders, to ensure proper delivery, to better assist you when you visit or call us as well as to improve our product and service offerings.
- Your credit card information will be kept in a private personal file and is protected by [VeriSign](#), a leading trusted provider of Internet infrastructure services for the networked world.
- When you return previously purchased merchandise or request a refund or exchange, you may be asked to give your name, address, phone number and show information that identifies you, such as your driver's license. We collect this information to help prevent fraud.

If you do not agree with the data practices described in this Privacy Policy, you should not use the CSCMP websites or subscription services. You may opt out of communications by modifying the settings in your CSCMP profile by using the opt-out check box that appears in the preferences section, or you may opt out by contacting CSCMP at [communications@cscmp.org](mailto:communications@cscmp.org).

If you have any questions about our Privacy Policy or our treatment of the information you provide us, please email us at [communications@cscmp.org](mailto:communications@cscmp.org).
