EVENT UPDATE: IMEDIA ONLINE RETAIL SUMMIT CANCELLED FOR 2020

The iMedia Online Retail Summit promise is to bring together the best of the best. The best retail e-commerce leaders, the best technology and solution providers in an environment of high trust where lasting relationships are built.

The recent spike in COVID19 in Victoria has made it impossible to deliver on that promise. To protect our brand, our delegates and our people, we have made the difficult decision to cancel iMedia Online Retail Summit Australia 2020.

We are invested in the success of our community across the region and will continue to work hard to ensure that in this challenging time for our business. Thanks again for your continued support and we look forward to a more prosperous 2021.
