Introduction.

This template provides detailed instructions for how to format your poster presentation. We kindly ask that you read this document carefully and follow the instructions provided. If your poster submission does not strictly adhere to the formatting guidelines you will be asked to rectify any inconsistencies before your abstract is published. Authors who intend to submit a poster presentation must first submit a 1000 word abstract. The template for the 1000 word abstract can be found on the template section of the conference website. We aim to produce a set of poster presentations that is professional in appearance and consistent across all poster submissions. You must supply your final poster presentation properly formatted as instructed in this template. If your poster does not adhere to the template or use the styles, you may be asked to reformat and resubmit it. Please read this guide carefully and take care when formatting your poster. This template is available in .ind. and .pdf formats.

The poster size is A0 (841mm x 1189mm), and portrait orientation.
