EVENT POSTPONED: IMEDIA BRAND SUMMIT NEW ZEALAND

In view of COVID-19 around the globe, iMedia Brand Summit NZ has been rescheduled to **12-14 October** at the Hilton Lake Taupo, New Zealand.

Comexposium wish to ensure the welfare and safety of delegates, sponsors, partners and employees. Our delegates, sponsors, partners and employees are our top priority and we strongly believe this is the right decision given the current circumstances around the globe.

Comexposium will continue to monitor the situation on the [New Zealand Government Department of Health](#) and The World Health Organisation websites during this pandemic.

Comexposium appreciate the show of support that we have received from the iMedia community in response to safeguarding the event and we look forward to hosting delegates in October.
